

An aerial photograph of the Church of the Holy Mother of the Lord, a historic stone church with a red-tiled roof and a central dome, situated on a rocky cliff overlooking the vibrant blue waters of Ohrid Lake. The church is surrounded by tall, slender cypress trees and a stone wall. A paved area with steps leads to the church entrance. In the foreground, there are several yellow umbrellas and a small structure, possibly a cafe or information kiosk. The lake is filled with several boats, including a sailboat and a motorboat. The sky is clear and blue. The overall scene is a beautiful blend of natural beauty and historical architecture.
